

National Executive Service Corps
Advising the nonprofit community for over 35 years

National Executive Service Corps provides high-quality and affordable consulting services to enhance the effectiveness of nonprofit organizations through strategic and business planning, board development, and organizational management.

Our expert consultants are highly experienced business executives from high-profile corporations who contribute their services. With more than 225 consultants in various areas of expertise, we are able to deliver a breadth of programs, including marketing and branding, capacity building, financial management, board governance and social enterprise – all tailored to the needs of the individual nonprofit budget. More than 2000 nonprofits have benefited from our services over the past 35 years. NESCS is a nonprofit organization with 501(c)(3) status.
