FORM 990: TIPS & TRAPS FOR PROPER REPORTING & EXEMPTION RESTATEMENT

Laurence Scot, MBA, CPA, Co-Founder and Co-Managing Partner, *Skody Scot & Co. CPAs*

Description: Form 990 is one of the most public and transparent of all returns. Unless allowed to file a simpler 990-EZ or 990-N, Form 990 must be filed completely and accurately each year by every exempt organizations or they can lose tax their exemption. This workshop will cover some of the more complex areas of the form and provide tips to avoid misreporting or being audited by the IRS. Also cover how to get your tax exemption restated after revocation.
