OUR MISSION The mission of the School of Public Affairs and its programs is to enhance the performance of governmental and nonprofit institutions in New York and the nation in the interest of effective and equitable public service and public policy in a diverse society. We place special emphasis on educating responsive and accountable leaders who combine managerial expertise, creative and critical thinking, and rigorous analysis in the formation and execution of public policy.

Please note: Consultants providing advice in connection with this event are doing so as individuals. Consequently, all advice provided is theirs alone. The Center for Nonprofit Strategy and Management at Baruch College School of Public Affairs assumes no responsibility for it.
